This has been a month of celebrations and graduations for many families in the congregation including ours as our son Brandon graduated from the University of Southern California. The names of all our graduates to date can be found on the second page of this Newscaster. As a congregation we can all rejoice at the accomplishments of our young leaders.

The graduation ceremonies that many have attended have included outstanding addresses by students, faculty and guests. These addresses encourage and inspire the graduates to pursue goals that will help weave a just and peaceful society as we work together for the common good. As I have reflected upon this, I believe everyone should attend a graduation each year whether you know a graduate or not, because these moments are filled with hope and promise.

Worship serves that same purpose for us as we gather each week to hear the Good News of God's love for us in Jesus Christ. Word and Sacrament which are at the heart of worship inspires and encourages us each and every week as a new creation to go out and serve as

we strive for a just and peaceful world and work for the common good.

That same hope we carry with us has been evident in the Cornerstone process of visioning and dreaming what God is calling us to in the future. This dreaming will now be unfolding into intentional actions by working groups building upon all the wonderful and vital ministries that are present in this place and through the ministry of daily life that each of you are engaged in.

From Galatians this month we hear words that very well could be part of a commencement speech as we prepare to go forth in love, "By contrast, the fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self control. There is no law against such things.....If we live by the Spirit, let us also be guided by the Spirit."

God's blessings and joy,

Congratulations, Graduates!

Friend in Need: Each year, Augustana gives thousands of dollars in direct aid including bus tickets and food to those who live on the streets or are on the edge. Gifts to the Augustana Friend in Need fund are always welcome.

Dear Augustana members and friends, We have had a very successful first year partnership with **Boise Eliot Humbolt** to help feed some of their most food insecure students over the weekends. The school is very appreciative of your generous contributions of perishable fruits, cheese, milk and other foods that go into backpacks of 35 students every Friday as they head for home. Augustana members have also contributed over \$750, allowing the school to purchase non-perishable food for these children. We will start again in September when school re-opens. Thank you all so much for participating in this very important project

to support the nutritional needs of hungry children in our community. For further info contact Joanne Mecklem, 503-936-6806.

Members of Augustana receive *The Lutheran* magazine as part of our congregation subscription at a yearly cost of \$8 per household, paid by Augustana. Please give what you can to help offset the costs of our congregation subscription. Thanks!

Food is always needed for our food cupboard here as well as for Northeast Emergency Food Program. Bring your donations to the narthex whenever you're able to.

If you would prefer to receive your Newscaster electronically, please notify the church office.

Augustana as a place of Sanctuary: There is more information available about the cutting-edge work of the Evangelical Lutheran Church in America and the Lutheran Immigration and Refugee Service on immigration reform by going to www.elca.org. The Lutheran community has been a major mover on immigration for decades. If you would like to assist, call or email the church office. **Augustana is a Sanctuary Congregation** that recognizes we

are on holy ground in the heart of the city. A place for all people. For more information on the New Sanctuary Movement, see the Augustana website.

WHAT IS SANCTUARY?

Sanctuary carries several meanings in the history of faith. For one, it means Holy Ground. Just as Moses standing before the burning bush as he encountered God, we too are standing on Holy Ground. Houses of worship are

sanctuaries where we encounter God in awe and reverence, thanksgiving and joy.

Sanctuary also means a place of refuge. As the old Lenten hymn begins, "Jesus, refuge of the weary, blest Redeemer whom we love," God's house is a refuge from all the troubles that we encounter. The steeple and the cross invite the world to God's house of prayer for all people today, as it has for centuries.
